# Highland Church of Christ

Tecumseh, OK November 4, 2018

Hello and welcome to worship!

We have a great guest speaker this morning by the name of Eddie Cloer. Eddie Cloer attended Harding University in Searcy, Arkansas; Oklahoma Christian in Oklahoma City; and Harding Graduate School of Bible and Religion in Memphis, Tennessee. He holds the Bachelor of Arts, Master of Theology and Doctor of Ministry degrees. His doctoral thesis focused on evangelistic preaching.

Having begun his preaching career at age fifteen, he has preached the gospel for over forty years, serving congregations in Clarksville, Hot Springs and Blytheville, Arkansas. He has preached in more than 850 gospel meetings in thirty-five states of the USA, London, England, Singapore and Ukraine.

Dr. Cloer teaches Bible and preaching classes at Harding University. He is the author of two Truth for Today Commentaries, *Psalms 1—50* and *Psalms 51—89*, as well as several books, including: *What Is "the Church?"*, *God's Design for "the Church"*, *"The Church": The People of God's Purpose*, *"Thus Far the Lord Has Helped Us,"* and *Come, Let Us Magnify the Lord*.

Since 1981 Eddie has edited and published *Truth for Today*, a monthly publication for preachers and teachers. In 1990, with World Bible School teachers and the Champions church of Christ in Houston, Texas, he began the Truth for Today Printed Preacher School. Its expository Bible studies assist thousands of preachers and teachers around the world, who are converting countless souls to Christ. He directs the Truth for Today World Mission School, a non-profit mission work reaching out to nearly 30,000 preachers in 150 nations of the world.

Eddie and his wife, Susan, have two married children and five grandchildren.

**Elder's Corner**

**Planning for 2019**

Mark your calendars for Saturday, November 10. We will have a congregational breakfast and planning meeting to discuss our plans for 2019.

This is an opportunity for you to provide some input to the elders and for the elders to share some of our thoughts with you.

We have been discussing and researching for many months (well more than a year) various plans and ideas for expanding our facilities and providing a room for future growth and space for a food distribution facility in order to save wear-and-tear on our fellowship hall. We will give you an overview of the current status of this project.

We value your input and hope you can join us for congregational breakfast and planning meeting from 8:00-10:00 a.m. next Saturday.

Charles, Eddy, Pat
