Elders' Corner

Purpose Sunday

Giving to support the work of the Lord is vital to the health of the church. Liberal giving helps us to 1) take the Gospel to the lost, 2) support the needs of one another and help one another to grow in Christ and 3) provide assistance to others who are facing difficult times. In other words, giving helps the church to accomplish the mission given by God – Evangelism, Edification and Benevolence.

The Corinthians provided a great example of giving the way God intends. They purposed their giving in-advance. They were enriched and blessed by their purpose to give. They were able to supply the needs of others because they purposed. **Read 2 Corinthians 9** to study about their giving.

Today we are asking all members to fill out a purpose card and give it to the elders before you leave the building. This will help us plan how we can continue and grow the work of the Lord at Highland in the coming year.

Every member can have a dynamic impact on the Lord's work here in Tecumseh.

Hello and welcome to worship!

We will miss a sweet lady by the name of Betty Jones around here. She had not been able to attend for several years because she was confined to the home but oh, how she wanted to be with us. She told me a few weeks ago, with sorrow on her heart, that she would have loved to have been able to be in worship all those years, but just couldn't. I visited with the family last Sunday afternoon to discuss the funeral arrangements. It was a joy and it wasn't hard to see that Ralph and his family dearly loved this woman.

I asked the family to describe Mrs. Betty with some adjectives. They used some great ones to describe her. They used words like loving and caring. They called her a defender of her daughters. She was called a great "momma bear". She was an articulate woman. They also said that she was very smart and funny. These were some great ways to describe her.

I would like to add that she was a precious lady and she was sweet and kind. When I left visiting with her, I always thought, "what a precious lady." I was also left thinking that she was very sweet and kind as well. Even when she was extremely sick, she still wanted to know all about what was going on in my life.

I asked the family to tell me some things about her. I heard that she had the best laugh ever. Her laugh made you laugh. They also said that she always made you feel good about yourself. Don't we like being around people who make us feel good about ourselves? She was a great encourager, and don't we always need encouragers in our lives?

She was also a very smart lady. She worked her way up from a secretarial position at Tinker to a Budget Analyst over the AWACS budget. She was so smart she even briefed generals at Tinker.

We are thankful for having known this wonderful lady. Please keep Ralph in your prayers.

Erick
