Elders' Corner

A great ministry at Highland is the monthly food distribution. Once a month, approximately 100 families come through the Highland facilities on a Saturday morning to receive food. Many Highland members are involved in the ministry but more are always welcome. Hunger is a very real need right here in Tecumseh. Jesus was very aware that hungry people will struggle to grow spiritually. Many times his priority was to feed people. He makes that a priority for us as well. In Luke chapter 9, His disciples told Jesus to send the people away so they could get something to eat. His response – "You give them something to eat." (13)

President Woodrow Wilson once commented that "no one can worship or love his neighbor on an empty stomach." We are so blessed to have an active ministry that helps feed people. If you are looking for an involvement area, we encourage you to consider the monthly food distribution ministry.

Hello and welcome to worship!

Oh, how many times Christians treat others harshly. Oh, how many say they love Jesus, yet hurt their brothers and sisters. Jesus makes a profound statement in Matthew 7:12. It is one of those life-changers. If this one passage was followed by all, it would turn our world upside down. There would be a total transformation down here on planet earth. This world would be more like our Father's Heaven. Jesus, in this passage, gives us the Golden Rule. Jesus states, "So whatever you wish that others would do to you, do also to them, for this is the Law and the Prophets." If you had your greatest wishes of how you would like others to treat you, how would it be? Here are most people's wishes. They wish others would always treat them with kindness and gentleness, even when they didn't deserve it. They wish others would come to them gently and respectfully, if they believe they are doing something wrong, instead of talking to everyone else about what they were doing. They wish others wouldn't just assume they were trying to hurt someone. They wish people would try to help them smile even when they didn't feel like smiling. Many Christians in this world say they love Jesus but don't love their neighbor as themselves. They don't treat others as they wish to be treated. I heard Dan Winkler speak about how Christians "who divide and devour are being jerks for Jesus." He said, "don't fool yourself into thinking you are loving God and hurting others." He goes on to say, "Don't be a jerk for Jesus." The Holy Spirit says in Romans 3:10, "Love does no wrong to a neighbor." We can't be hurting others and loving God at the same time. We must listen to Jesus when he says, "So whatever you wish that others would do to you, do also to them."

Erick
