Elders' Corner

A Successful Gospel Meeting

Dr. Brad Harrub is doing his part to prepare to help us have a successful gospel meeting.

We have printed hundreds of fliers and are sending out announcements to other congregations. The key to real success, though, will be how many of us get personally involved in preparing for, inviting others and attending the meeting. That should not be a surprise because the key to success in almost every work in which the church is engaged is great individual involvement.

There are many ways you can get involved. Our BK leaders are filling-out lists now, so see your BK leader to make sure you're participating. You can also see Adam, Erick or Johnie to get some direction on other possibilities for involvement, including prayer, inviting others, sending cards, advertising and other things.

Please get involved! The success of our meeting depends on it.
